

**May the joy of the season be with you all  
Peace on Earth and good tidings for the New Year!**

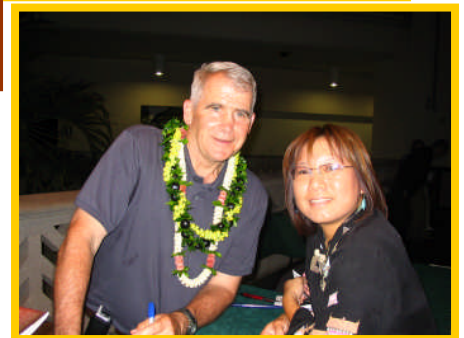

*Pacific Rim Concepts LLC is pleased to be celebrating its 7<sup>th</sup> Anniversary and would like to thank you for your continued support over the years. Together we have grown, and strive to do better than the last one. Together we see the world through your eyes, for a better tomorrow.*

*Common themes ring through much of our events and meetings we do, whether it's the Hawaii Conservation Conference, HCPO, PacGeo, EPA Pacific Islands Environment Conference, International Fishers Forum, Health/Immunization or Nutrition Summits, Tourism Conference, a Freedom Rally, a Spirit of Aloha or Legacy in Tourism Fundraiser, or a church conference – the message is “Protect our environment and resources, ourselves and health, build and grow wisely our future generations and their surroundings, and work together harmoniously, accepting all and sharing for a better future.”*

*A few of the highlights of the past seven years include the “Wave of Aloha” fundraisers for the Indonesia Tsunami and Hurricane Katrina victims, trips to American Samoa, Guam, Saipan, and Yokoyama, Japan for environmental and fishers forum conferences, a Freedom Rally with Sean Hannity, Col. Oliver North, and House Speaker Newt Gingrich, a Hawaii Fishing & Seafood Festival at Pier 38, and teaching an Events Management class at the University of Hawaii School of Travel Industry Management.*

*Thank you for being there, and continued success for 2008 and beyond!*
